

FULL BODY HARNESSSES - H11D

As per the H11, with Side D rings for pole strap attachment

A light and comfortable full body harness suitable for fall arrest, confined space entry/retrieval and rescue. The H11D series features side D rings for work positioning and SAFERIGHT's unique rear D extension strap and fall indicator as standard, which enables the user to visually check the rear attachment point for secure lanyard connection and evidence of a previous fall. Ideal for regular use in many applications.
