

## FULL BODY HARNESSSES - H110

### As per the H11, with an internal belt for oil/derrick/drilling

A light and comfortable full body harness suitable for fall arrest, confined space entry/retrieval and rescue. The H110 series has an internal belt for oil/derrick/drilling and features SAFERIGHT's unique rear D extension strap and fall indicator as standard, which enables the user to visually check the rear attachment point for secure lanyard connection and evidence of a previous fall. Ideal for regular use in many applications.

#### Key Features
