

HARDWARE - RB1

Roofers Buddy

Many older and recently constructed buildings do not have roof anchors. The Roofers Buddy provides an economical solution that can be installed over existing roofing without having to access the framing. Use over metal roofing, membrane, or asphalt shingle. The Roofers Buddy does not require a conventional flashing system.

Key Features

- Quick and versatile 15 kN fall arrest anchor
- Rescue and recovery, or rope access
- Temporary lifeline anchorages
- Diversion anchor

Materials & Construction

- 3 mm steel construction
- Red powdercoat finish
- Optional neoprene flashing strip available
