

RESCUE KITS, TEMPORARY LIFE LINES & HEIGHT SAFETY KITS - SRE

Self Rescue Etrier

This is one piece of equipment that every person should carry if they are working at heights. Using an SRE within minutes of being suspended in a harness could eliminate pre-syncope/syncope by alleviating the pressure of the legs.

Key Features

- Lightweight
- Single action karabiner for easy attachment
- Removes pressure from lower body
- Adjustable length

Materials & Construction

- Single action alloy karabiner
- 25 mm black webbing
- Canvas pouch
- 3 Bar buckle adjuster

Testing & Quality Control

- 100% visual inspection
- SAFERIGHT is a licensed manufacturer to AS/NZS 1891.1 : 2007, License Number 1270
- SAFERIGHT is a Quality Endorsed Company to ISO 9001 : 2008
