

CONFINED SPACE ENTRY - (2 DAY COURSE)

NATIONALLY RECOGNISED COMPETENCIES
RIIOHS202A—Enter and Work in Confined Spaces
MSAPMPER205C—Enter Confined Space
MSAPMPER200C—Work in Accordance with an Issued Permit
MSAPMOHS217A—Gas Test Atmospheres

OVERVIEW

This course is aimed at ensuring the health and safety of participants who have to undertake work activities within a confined space as defined by AS 2865 : 2009.

The course provides participants with information on their responsibilities with regard to Duty of Care, the Occupational Health and Safety Act and Mine Safety and Inspection Act. It provides a guide to planning and entering confined spaces for employees and contractors by utilising the risk assessment process to identify hazards and applying the appropriate controls using the Hierarchy of Control. It informs persons of the requirements in rescue, training, isolation, ventilation, atmospheric testing, standby duties and entry permits to the confined space.

This course comprises an equal theory-practical component ensuring all participants actively participate in confined space entries. This course includes more extensive scenarios and Gas Test Atmosphere requirements.

SAFERIGHT is a Registered Training Organisation (Provider Number 5722) and offers a range of courses in industrial safety. For more information on courses, please call our Training Department on 1800 352 335 or email training@saferight.com.au.

KEY OUTCOMES

DEFINITIONS:

- Confined Space Hazards and Controls
- Standby Person (Roles and Responsibilities)
- Respiratory Protection
- Atmospheric Monitoring Requirements
- Risk Assessments and Hierarchy of Control
- Ventilation
- Checks to be Performed
- Permits
- Lifelines and Harnesses
- Safe Work Procedures
- Entry Permits
- Rescue Procedures

OTHER INFORMATION

DURATION: 2 Days (8.30am to 4.30pm)

LOCATION:

- Metropolitan and Remote Sites
- 33 Belmont Avenue, Belmont, Western Australia
- 42 Belmont Avenue, Belmont, Western Australia
- Lot 2 Stadium Road, Tom Price, Western Australia
- Unit 3, 605 Kingsford Smith Drive, Hamilton, QLD
- On-site Customer Location

Note: If training is carried out on site, the client is responsible for travel and accommodation costs.

TRAINEE/INSTRUCTOR RATIO: Minimum 5:1 — Maximum 10:1

CLOTHING: Wear normal work clothing and safety boots. Please remove all jewellery prior to course.
